What can I expect at my club?

• Wider Life Skills

Science Club

Explore science beyond the classroom through practical experiments, interesting questions and topics you might not usually get the chance to cover in lessons. Science Club is a chance to follow your curiosity, test out ideas, investigate how things work and get hands-on with science in a fun and practical way.

You'll have opportunities to develop your problem-solving skills, work with others and explore different areas of science. Whether you already love science or just enjoy finding out more about the world around you, everyone is welcome.

KS3 and KS4 Homework Support Club

A supportive space to get help with homework, catch up on tasks and stay organised. Bring along work from any subject and use the time to focus, ask questions and make steady progress.

Girls ASC Group

A relaxed and supportive space for girls with ASC to meet others, make friends and spend time together. Come along to chat, take part in activities and enjoy a calm, welcoming environment.

Chess Club (Y7 and Y8)

Come along to Lunchtime Chess Club for a friendly game, whether you're an experienced player or have never played before. Learn the basics, practise different strategies, challenge your friends and take on new opponents. It's a great way to develop your problem-solving and thinking skills while enjoying a game.

Girly Pops Physics club (Sixth Form)

A relaxed and friendly revision club for all Sixth Form students studying Physics, everyone is welcome!

Come along for tea, biscuits and some Physics revision in a supportive space. You can work on homework, practise exam questions, revisit tricky topics, prepare for upcoming assessments or revise alongside friends.

There's no set agenda, so you can focus on whatever would be most useful to you, with help and guidance available if you get stuck. Whether you want to build your confidence, catch up on a difficult topic or just have a regular space to keep on top of your Physics, this club is here to help.

Engineering Club

Engineering Club gives you the chance to investigate real-world problems and design creative solutions using CAD, 3D printing and other practical techniques.

You'll develop your problem-solving, design and engineering skills as you plan, create, test and improve your ideas. No previous experience is needed, just curiosity and a willingness to have a go!

• Arts and Culture

Dr Who Club

A friendly, relaxed club to watch and enjoy Doctor Who, meet new people and make friends. Everyone is welcome, whether you're a longtime fan or completely new to the show. Along the way, you'll explore interesting ideas about history, science, culture and philosophy.

KS3 Anime Club

A relaxed and friendly space to watch anime, discover new series and chat about your favourites. Come along to meet other fans, share recommendations and make new friends, everyone in KS3 is welcome!

Sister Act School Play Rehearsals

Join the cast and production team of *Sister Act* as we bring this year's whole-school show to life.

Rehearsals will bring together acting, singing, dancing, set, props and technical work as everyone prepares for the final performances. It's a brilliant chance to build confidence, develop performance and backstage skills, work as a team and be part of an exciting whole-school production.

Textiles Club Y10 and Y11

A support session for Y10/11 Textiles students to complete homework, catch up with work missed or extend their learning further.

Lit Society (Sixth Form)

A relaxed Sixth Form book club for anyone who enjoys reading, discussing ideas and discovering new books. Year 12 and Year 13 will meet on alternate weeks, with students taking turns to nominate books for the group to read and discuss. The club will be largely student-led, giving you the chance to share your opinions, hear different perspectives and build confidence talking about literature. You'll also develop useful skills in organisation, discussion and leading a group, all while enjoying books with other students.

Dungeons and Dragons

Use your imagination, create characters and go on adventures together! Dungeons & Dragons Club is a fun, friendly place to be creative, tell stories, solve problems as a team and make new friends. Beginners are very welcome.

Crochet Club

A relaxed and creative club for anyone who wants to learn crochet or practise their skills. It doesn't matter if you've never picked up a hook and wool before. Come along to work on your own projects, contribute to group creations and enjoy a good chat while you crochet.

KS3 and KS4 Art Club

A creative space to draw, paint, experiment with different materials and work on your own or shared projects. Come along to try new ideas, develop your skills and enjoy making art with others.

What can I expect at my club?

• Nature, Outdoor and Adventure

Bird Watching Club

Come and explore the wildlife living right on our doorstep! We'll head to Brandon Hill to look for birds, insects, plants and other signs of nature, learning how to spot and identify different species along the way. You don't need any experience, just curiosity and an interest in the outdoors. We'll learn how to observe wildlife carefully, use simple identification skills and discover more about the habitats and animals found in our local area.

• Civic Engagement

Green Team

Want to help make our school and local community a greener, better place? Green Team is all about students working together to make a real difference by reducing waste, saving energy and encouraging others to care for the environment.

You'll have the chance to lead projects, share ideas, work as a team and even help apply for funding to bring bigger ideas to life. If you care about the environment and want to improve our school, Green Team is for you!

Girls Group

A relaxed and supportive space for neurodivergent girls to meet others, make friends and spend time together. Come along to chat, take part in activities and enjoy a calm, welcoming environment.

• Sport and Physical Activity

Sports Fixtures

Represent the school and take part in competitive fixtures against other schools across Bristol. There will be opportunities to play different sports, work as part of a team and develop your skills in a competitive but supportive environment. Sign-up for fixtures will be organised through Mr Oaten, who will share details about how to get involved.

- Year 7 Boys Rugby Fixtures
- Year 8 Boys Rugby Fixtures
- Year 9 Boys Rugby Fixtures
- U14 Girls Rugby Fixtures/Tournaments
- U18 First Team Rugby
- Year 7 Netball Fixtures
- Year 8 Netball Fixtures
- Year 9 Netball Fixtures
- Year 10 Netball Fixtures
- Year 11 Netball Fixtures
- U18 First Team Netball Fixtures

Run club

Fancy getting active, improving your fitness and exploring Bristol's Harborside? Run Club is a friendly and supportive club for students who enjoy running or want to give it a go.

We'll run together around the Harborside, building up our stamina, confidence and fitness at our own pace. You don't need to be a fast runner or have lots of experience, just bring some suitable trainers, a positive attitude and be ready to get moving!

Golf club

Whether you're a complete beginner or already enjoy golf, come along to develop your skills, learn the basics of golf and its etiquette, and enjoy playing in a friendly and supportive environment.

What will you get involved in?

All things musical

Sing

BX* Choir (Boys Choir) For all students in Years 7 – 8

GX* Choir (Girls Choir) For all students in Years 7 – 8
