

Work Experience – Employers

Employers

Providing work placements can be extremely beneficial to employers as it allows a better understanding of the ever-changing landscape of education and qualifications.

Benefits include:

- Giving staff the opportunity to work in a supervisory role
- Scope for finding future long-term employment with successful students
- Raising company profile
- WEX placement students may offer new ideas and/or a fresh perspective
- Opportunities for staff to develop feedback and coaching skills
- Helping young people to develop their CV and build a network of industry contacts
- Opportunities to work with Bristol Cathedral Choir School across school events

Year 10 and 12 students undertake work placements within a block period.

Year 12: 4th - 8th May 2026

Year 10: 22nd - 26th June 2026

We are always looking for interesting and varied experiences of work opportunities for our students. If you are a business owner/decision maker and are able to offer a Work Experience placement please contact Alex Fey, Work Experience Coordinator on 0117 205 1605 ext 229 or bccsworkexperience@bristolcathedral.org.uk
